Leading the Future of Alaska's Construction Industry

The Construction Leadership Council was formed to cultivate the future leaders of Alaska's Construction industry. Through development of strong professional relationships, the group will expand and enhance growth and development of Alaskan communities, carrying forward the tradition of excellence.

Who Should Join?

Those interested in development of Alaska's construction industry.

CLC Goals

- **Professional Development**
Provide quality education programs to our members.
- **Networking and Social Events**
Give young professionals opportunities to network with peers and other industry organizations.
- **Community Projects**
Provide opportunities for giving back to Alaska.
- **Information**
Provide access to current industry trends and regulations.
- **The Future of AGC**
Aid the industry by highlighting future leaders, supporters and voices.
