We are honored by the wealth of knowledge, professionalism, and dedication presented by our Board of Directors.*

<b>NAME:</b> Jason Nichols
<b>COMPANY:</b> ASRC Construction Holding Company
<b>POSITION/TITLE:</b> Preconstruction Manager
<b>YEAR STARTED WITH COMPANY:</b> 2021
<b>COMPANY HAS BEEN AN AGC MEMBER SINCE:</b> 2008
<b>CURRENT AGC BOARD MEMBER:</b> No
<b>HOW MANY YEARS SERVED ON AGC'S BOARD OF DIRECTORS?</b> 0 (NOTE: A member who has served 12 years on the Board of Directors will graduate to the status of Life Director. Life Directors are encouraged to attend and participate in all meetings and are entitled to vote.)
<b>COMPANY IS INVOLVED IN THE FOLLOWING TYPES OF WORK:</b> ASRC Construction Holding Company provides support services and leadership to a group of construction companies with capabilities and operations throughout the state of Alaska and select Lower 48 and international markets. While we provide services to hundreds of unique industries and markets, our capabilities generally fall into four core sectors: buildings, civil + infrastructure, modular construction, and building materials sales.
<b>PERSONAL WORK EXPERIENCE:</b> My initial industry experience began during college summers spent on the North Slope, where I served as a crew leader for the BP summer hire program. I started my professional career in commercial finance in 2004, where I had the opportunity to work with many AGC member companies and get involved in various AGC activities and events. I joined one of those member companies in 2012 as a risk manager, eventually moving into a business operations role from 2016 through 2020. In 2021 I joined ASRC Construction Holding Company as their Preconstruction Manager. This newly created position is tasked with managing project opportunities for all subsidiary companies, from the initial bid and proposal stages through all post-award phases, until ready for handoff to the project management team.
<b>OTHER CONSTRUCTION INDUSTRY ACTIVITIES:</b> Original member of AGC of Alaska's Associates Council.

<b>NAME:</b> Luke Blomfield
<b>COMPANY:</b> Davis Constructors & Engineers, Inc.
<b>POSITION/TITLE:</b> President / CEO
<b>YEAR STARTED WITH COMPANY:</b> 2003
<b>COMPANY HAS BEEN AN AGC MEMBER SINCE:</b> 1985
<b>CURRENT AGC BOARD MEMBER:</b> Yes
<b>HOW MANY YEARS SERVED ON AGC'S BOARD OF DIRECTORS? 2</b> (NOTE: A member who has served 12 years on the Board of Directors will graduate to the status of Life Director. Life Directors are encouraged to attend and participate in all meetings and are entitled to vote.)
<b>COMPANY IS INVOLVED IN THE FOLLOWING TYPES OF WORK:</b> Davis Constructors & Engineers, Inc. was founded in 1976 and is one of the most experienced Anchorage and statewide Alaskan general contractors. We have maintained a steady, orderly growth. In our more than forty year history, we have completed over 5500 projects totaling almost \$2.5 billion throughout Alaska. Our company has completed commercial building projects which cover the full range of material and methods of construction, from cast in place concrete and structural steel, to precast concrete panels and wood frame structures. We have had extensive experience in school construction, both urban and rural, special housing projects, hotel construction, retail stores, multi-story office buildings and highly specialized construction such as jails and hospitals. Additionally, we have significant experience with military projects including Ft. Greeley, Ft. Wainwright, Eielson AFB and Joint Base Elmendorf – Richardson.
<b>PERSONAL WORK EXPERIENCE:</b> Luke Blomfield is the President of Davis Constructors. His overall leadership and direction ensures Davis achieves its vision, mission, goals and objectives. Mr. Blomfield earned a degree in Construction Management from California State University, Chico and a Master's Degree in Project Management from the University of Alaska, Anchorage. Luke started with Davis Constructors & Engineers, Inc. as an intern in 2003, and has since served as a Senior Project Manager and Vice President. Luke has experience in all contract delivery methods. His project revenue exceeds \$650 Million, nearly all of which involved Preconstruction Services.
<b>OTHER CONSTRUCTION INDUSTRY ACTIVITIES:</b> UAA Construction Management Committee member Previous AGC committee member LEED AP PMI Global Congress Guest Speaker

### BIOGRAPHY

Having grown up in a construction family, Toby knew at a young age that is what he wanted to do. Toby started as a laborer with his father's company. After courses in college, and a short stint in California operating equipment he moved back to Alaska to begin working in the family business full time where he went from laborer foreman to project manager over the years. In 2001 Toby became President of the company and in 2006, after his parents decided to retire, purchased the company and has since grown the company to what it is today, a multifaceted civil & marine construction firm that bases itself in NW Alaska.

Toby is married to his high school sweetheart Amber. Together they have three daughters...Callan, Teigan, and Mairyn. He enjoys spending time with family, working on his golf game, snow machining, and classic car/truck shows.
