YEAR STARTED WITH COMPANY: 20
COMPANY HAS BEEN AN AGC MEMBER SINCE: 2014
CURRENT AGC BOARD MEMBER: Yes
HOW MANY YEARS SERVED ON AGC'S BOARD OF DIRECTORS? 3 (NOTE: A member who has served 12 years on the Board of Directors will graduate to the status of Life Director. Life Directors are encouraged to attend and participate in all meetings and are entitled to vote.)
COMPANY IS INVOLVED IN THE FOLLOWING TYPES OF WORK: Framing, Siding, Steel, Crane and Rigging
PERSONAL WORK EXPERIENCE: My father Alan Loken owned a small lumber yard and general contracting construction business. I guess you could say carpentering and construction business is truly second nature. My childhood, Saturdays, and summers were spent learning construction. I was raised under shown leadership. I ran my first crew at the age of 16, and moved to Alaska at the age of 19. I worked for a framing contractor and a roofing contractor. I joined the UAA Architecture and Engineering Technology program and took classes for 2 years. In 2003, I started Loken Construction LLC. Safety is big. We are honored with an outstanding safety record. I'm thankful and cherish much success to the countless amazing people that I have had the opportunity to work with and to learn from. In 2012 the addition of a new shop, and 360 General LLC came to fruition. In 2014 Loken Crane Rigging and Transport LLC was separated into it's own entity. I am excited about the team of professionals we have and look forward to developing and serving people and customers with top quality construction.
