<b>NAME:</b> Pat Harrison
<b>COMPANY:</b> Kiewit Infrastructure
<b>POSITION/TITLE:</b> Alaska Area Manager
<b>YEAR STARTED WITH COMPANY:</b> 1995
<b>COMPANY HAS BEEN AN AGC MEMBER SINCE:</b> 1957
<b>CURRENT AGC BOARD MEMBER:</b> Yes
<b>HOW MANY YEARS SERVED ON AGC'S BOARD OF DIRECTORS?</b> 1 (NOTE: A member who has served 12 years on the Board of Directors will graduate to the status of Life Director. Life Directors are encouraged to attend and participate in all meetings and are entitled to vote.)
<b>COMPANY IS INVOLVED IN THE FOLLOWING TYPES OF WORK:</b>  Kiewit is a diverse engineering and construction organization with operations serving the building, industrial, mining, OGC, power, transportation, and water markets.
<b>PERSONAL WORK EXPERIENCE:</b>  I grew up in Alaska working in the family contracting business in various craft capacities laboring, operating equipment, and running crews on heavy civil and infrastructure projects. In my Kiewit career I have held the positions of engineer, project engineer, senior engineer, estimator, superintendent, project manager, construction manager, and area manager working on a diverse cross-section of heavy civil and infrastructure projects across the western United States, Canada, and Alaska. In my current capacity I am responsible for all aspects of Kiewit's operations in Alaska. I have been fortunate to have been involved in a considerable number of alternative delivery projects throughout my career, primarily design-build and CMGC. I enjoy collaborating with partners and clients alike to solve challenges and successfully deliver projects.

<b>COMPANY HAS BEEN AN AGC MEMBER SINCE:</b> Aug 2008
<b>CURRENT AGC BOARD MEMBER:</b> Yes
<b>HOW MANY YEARS SERVED ON AGC'S BOARD OF DIRECTORS?</b> 3 (2019-2022) (NOTE: A member who has served 12 years on the Board of Directors will graduate to the status of Life Director. Life Directors are encouraged to attend and participate in all meetings and are entitled to vote.)
<b>COMPANY IS INVOLVED IN THE FOLLOWING TYPES OF WORK:</b> STG Incorporated is a specialty remote Alaska construction company with the following core services: Bulk Fuel System Installation Pile Foundation Installation Waterfront & Erosion Mitigation Civil Construction Microgrids Communication Tower Construction Crane Services Bridges and Elevated Walkways Wind Turbine Installation Specialty Logistics
<b>PERSONAL WORK EXPERIENCE:</b> Brennan has over 20 years of experience working in Western Alaska making challenging infrastructure projects a reality for many rural communities. He has a background in civil engineering from the University of Nevada Reno and has built his career working in the construction industry. He started working at STG when he was still in college as a yard hand and has served many roles since moving into his current position as President in 2016. As President of STG and Alaska Crane, Brennan works diligently to enable his team with the tools to deliver excellent craftsmanship, pursue innovation, embrace collaboration, and ensure everyone gets home safe. He strongly believes in being good stewards of the land and environment and is proud of the responsible building practices at STG and Alaska Crane.
<b>OTHER CONSTRUCTION INDUSTRY ACTIVITIES:</b> Through STG, Brennan takes great pleasure in sponsoring and supporting both the Calista College Intern program, as well as the Excel Alaska intern program. Over the years he has been involved with the Yukon-Kuskokwim Workforce group and has participated with the advisory board for both the UAA Welding program, and the AGC of America Project Manager Course. Additionally, Brennan supports the Adopt-A-Highway initiative encouraging STG and Alaska Crane employees to participate in this community cleanup at least 3 times per year. Brennan also participates in many of the AGC sponsored events throughout the year.

<b>NAME:</b> Steve Rowe
<b>COMPANY:</b> Swalling General Contractors, LLC
<b>POSITION/TITLE:</b> Owner, Operations Manager/Safety Program Manager
<b>YEAR STARTED WITH COMPANY:</b> 2016
<b>COMPANY HAS BEEN AN AGC MEMBER SINCE:</b> 2016 (as SGC); 1947 (as Swalling Construction Company, Inc.).
<b>CURRENT AGC BOARD MEMBER:</b> Yes
<b>HOW MANY YEARS SERVED ON AGC'S BOARD OF DIRECTORS?</b> 4 Years (2019-2020 & 2021-2022). (NOTE: A member who has served 12 years on the Board of Directors will graduate to the status of Life Director. Life Directors are encouraged to attend and participate in all meetings and are entitled to vote.)
<b>COMPANY IS INVOLVED IN THE FOLLOWING TYPES OF WORK:</b> Heavy civil, bridges, marine/docks, and vertical construction.
<b>PERSONAL WORK EXPERIENCE:</b> Steve Rowe is a longtime Alaskan with 20+ years of experience as a Laborer, General Foreman, Superintendent, Safety Manager, and Operations Manager. From 2005–2016, Steve worked as a Construction Safety Specialist, reshaping safety programs at Watterson Construction, SNC Lavalin, and Cornerstone General Contractors.  Steve joined Swalling in June of 2016 to help form Swalling General Contractors, LLC (SGC) with co-owners Brian Van Abel and Paul Swalling. As an equal owner of SGC, Steve wears many hats, including those of Operations Manager, Safety Program Manager, and Senior Superintendent. As the company's chief operating officer, he oversees all day-to-day administrative and operational functions, including bonding/insurance, budgeting, human resources, payroll, and fleet management. As Safety Program Manager, he manages the Swalling Safety Program, including safety and disruption mitigation plans, oversight of work crews and subcontractors, field inspections, safety-related trainings and meetings, new hire orientation, drug program management, new safety procedure introduction, SWPPP, safety audits, and numerous other project-related tasks.  Steve has more than 75 safety-specific certifications, including: AK-CESCL, First Aid/CPR/AED, Rigging, Hazwoper 40-hour, Erosion & Sediment, Level 1 Fire Extinguisher Permit, Rescue Team Leader, Fire Stop Training, Hilti, Asbestos Recognition, and numerous OHSA designations. He is a Construction Health and Safety Technician (CHST), Safety Trained Supervisor (STS), Construction Safety Specialist (University of Washington), and General Industry Specialist (University of Washington). He is Occupational Health and Safety Technologist (OHST) eligible, and he is working on a degree in Occupational Health & Safety from Columbia Southern University.
<b>OTHER CONSTRUCTION INDUSTRY ACTIVITIES:</b> Steve is a three-time recipient of the AGC of Alaska Individual Award for Safety Excellence (2015, 2014, and 2013) who also provides safety consulting services through his other company, Better Safety Record (BSR). Steve is a regular presenter on safety related topics at industry conferences and other events. At the annual Alaska Governor's Safety & Health Conference, he has taught "Managing Multiple Programs," "Emergency Planning & Fall Protection," and other segments of the OSHA 10-Hour Course. He has provided safety instruction through AGC's various programs for many years. As SGC, he has received numerous AGC of Alaska Excellence in Construction and Safety Excellence Awards.
