Memorandum of Understanding
Between
THE ASSOCIATED GENERAL CONTRACTORS OF ALASKA
AND
THE PACIFIC NORTHWEST REGIONAL COUNCIL OF CARPENTERS
2017-2020 Master Labor Agreement

This Memorandum of Understanding is entered effective April 1, 2019 between the Associated General Contractors of Alaska (AGC) and the Pacific Northwest Regional Council of Carpenters (PNWRCC) with respect to the 2017-2020 Master Labor Agreement. This Memorandum of Understanding addresses the issue of a contractor performing commercial diving operations.

In consideration of current Association of Diving Contractors International (ADCI) Consensus Standards and contractors performing commercial diving, the following amendments shall be accepted.

ARTICLE TWENTY
DIVING SECTION

Section 3. Diving Crews
Diving Crew and Operations must be compliant with all applicable USCG and OSHA regulations and the most current edition of the Association of Diving Contractors International (ADCI) Consensus for Commercial Diving and Underwater Operations. A contractor performing commercial diving operations shall have an Association of Diving Contractors International membership or an ADCI qualified third party audit of compliance, in place or pending, to current ADCI Consensus Standards for Commercial Diving and Underwater Operations.

IN WITNESS WHEREOF, the aforementioned have executed this Memorandum of Understanding to the Master Labor Agreement on this 1st day of April 2019.
